

Sirine GUERDAM

Mechanical Engineer Student

PROFILE

Currently studying Mechanical Engineering in my last year, I am seeking an opportunity for a graduate placement in which I would like to use my experience and knowledge within a forward-thinking company.

 Sirine GUERDAM

 guerdam. sirine

LANGUAGE

FRENCH – Mother tongue

ENGLISH – Full professional proficiency

GERMAN – Upper Intermediate

ARABIC (Moroccan) – Fluent

SKILLS

MS OFFICE PACKAGE

WRITTEN, VERBAL, NON
VERBAL, LEADERSHIP
COMMUNICATION

PUBLIC SPEAKING

SOFTWARES

MATLAB, SCILAB

HYPERMESH, ABAQUS

CES, LABVIEW, MAGICS

C LANGUAGE, VBA

CAD (CATIA, AUTOCAD)

EXPERIENCE

2016 – 2017: Developing process parameters and Strategy for support printing of a product as an undergraduate intern. *Additive Industries, Eindhoven, the Netherlands.*

- Support parameters development
- Settings for the machine improvement
- Process engineer assistant in tests run

2015 – 2016: Modelisation of a composite mirror in a FEA Package, HND Internship *Glyndwr University, Wrexham, Wales*

- FEA Package for a composite mirror on Abaqus modelisation, Autodidact learning
- Composites fabrication at the Airbus Advanced Composite Centre
- Abaqus autodidact learning

2013 – 2014: Tutor in a disadvantaged children charity association. *Jeune et Cité, Nancy, France*

- Sciences courses tutoring
- Social and emotional support

EDUCATION

2016 – 2019: Double degree: MSc Degree in Mechanical Engineering.

Ecole Nationale Supérieure des Mines de Nancy, Grande Ecole, France

- To learn more about my courses, please find enclosed a detailed sheet in the zipped folder.

2017 – 2018: Double degree: BSc and MSc in Mechanical Engineering

Hochschule Mannheim, Germany

- Fluid mechanics, Finite Elements, Advanced Mechanic

2014 – 2016: HND in Physical measurements

University Institute of Technology, Metz, France

- Instrumentation, Quality control, Chemistry, Material

2016: Summer School

Glyndwr University, Wrexham, Wales

- Control Engineering, Mathematics, Dynamics
