FROM SEPTEMBER 2012 TO JULY 2015

**High-School Degree**, scientific major, obtained with honors.

## EXPERIENCE AND PROJECTS

**UrbanLoop**, Nancy — *Internship*

8 MONTHS IN 2019

UrbanLoop is a french project reimagining public transport. I was in charge of finding and implementing communication protocols between embedded systems.  
Link : <http://urbanloop.univ-lorraine.fr/>

**Tiger compiler** — *School project*

Creation of a program in Java that can translate a Tiger written code into assembly language (lexical/semantic analysis, parsing, code generation).

**Vanilla Dome** — *Website*

Social network about a famous video game license. Developed and managed by me from 2011 to 2017.  
Link : <http://www.vanilladome.fr/>

**Anim'est** — *Fan Convention*

Convention about japanese culture, held in Nancy (France). I was responsible of the logistic and the cultural poles.  
Site web : <https://www.animest.net/>
