+336 73 92 68 94

English B2

German B2

Driving license B

Personal Skills

CAD/CAM

Creo, Wildfire, Solidworks, CATIA,
Virtual Gibbs, Hyperworks

Common software

Office Pack, VBA in Excel programming

PLM

Windchill, Enovia

Machining

Traditional machining and
assisted machining.

Additive manufacturing

All the seven family of
additive manufacturing.
Stratoconception, FDM,
Stereolithography, CLAD...

Work experience

Internships

2014

**Mechanical designer in Vivirad in
Handschuheim, Alsace France**

16 weeks.

Design a new type of electron beam processing.

2015

**Mechanical designer at Alcatel-Lucent
in Illkirch, Alsace France**

6 weeks.

Design of a new type of desk phone, Alcatel 8018

Works

**Animator for teenagers in Illkirch,
Alsace France**

2014-2016

**Bartender at the restaurant La Corde à
Linge in Strasbourg, Alsace France**
