driving licence (2013)

*6 months internship application, available from 11 March to
6 September 2019*

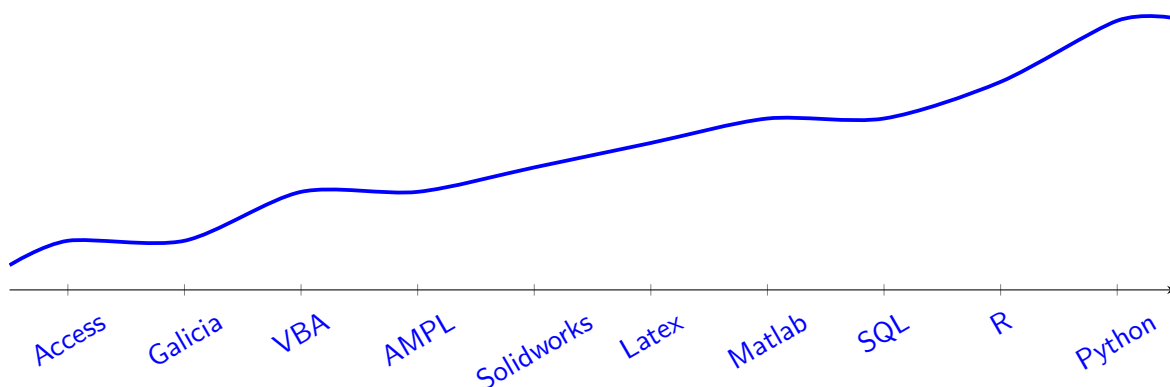

Education

- 2018– **Université de Lorraine**, *data science master 2*.
Statistics, Machine Learning, Data Analysis, Bayesian Inference, Stochastic Modelling ...
- 2016– **École des Mines de Nancy**, *industrial engineering and applied mathematics*.
Optimization, Databases, Time Series, Programming, Probability Theory, Linear Algebra ...
- 2017 **Workplace first-aider**.
- 2013-2016 **Intensive foundation degree**, *preparatory class to take national competitive exams for admission to the highly selective French engineering schools "Grandes écoles"*.
Mathematics, Physics, IT, Engineering Sciences
- 2013 **Scientific baccalauréat (A-level equivalent)**, *with honors*.

Experience

- 2018– **3rd year project**, *waste sorting thanks to picture recognition with deep learning*.
- Summer 2018 **2nd year internship**, *data analysis and neural networks in a Start-up company*,
Copenhagen Nanosystems Aps (Denmark), 10 weeks.
- 2017-2018 **2nd year project**, *automation of a production plan*, Project Manager, 4 Students.
- 2017-2018 **Territorial project**, *improvement of the commuting traffics*, Nancy (54, France),
5 students (business and engineering).
- 2016– **Organization of group trips**, *from 6 to 30 people*, 4 trips.
- 2013– **Private teacher**, *from middle School to Bachelor levels*, 11 students.
- February 2017 **Work experience**, *polystyrene packaging*, Knauf Industries (38, France), 1 month.
- August 2015 **Summer job**, Constellium Voreppe (38, France), 1 month.

Programming

Soft Skills

- *Languages:*
 - **English** Fluent (*C1 - IELTS 7*)
 - **French** Native language
 - **German** Basic (*B1 - Goethe Institut*)
- *Adaptability skills:*
 - Willingness to learn
 - Creativity
 - Facing challenge
 - Curiosity
- *Teamwork:*
 - Communication
 - Stress management
 - Scientific popularization
 - Attention to others
 - Team spirit
- *Thinking skills:*
 - Problem solving
 - Decision making

Hobbies

Coaching In charge of men and women handball teams at Mines de Nancy

Sport judo (8 yrs), tennis (3 yrs), handball (11 yrs), rugby (3 yrs), skiing, running in nature (Raid Mines Nancy)

Traveling Australia, Morocco, England, Germany and lots of other european countries

Interests Sciences and outdoor activities
